

GIVEINDIA VERIFICATION REPORT

GiveIndia conducts surprise visits to the places where the NGOs are located. These visits are conducted to verify the information shared by the NGO about the benefits provided to the end beneficiaries. Our NGO Relationship Managers and a team of dedicated volunteers find the address of the beneficiary and visit them personally to confirm the validity of the NGO's work. Here is a report created by the NGO Relationship Manager during the verification visit :

Note to the donor: GiveIndia's Relationship Managers travel to the most remote parts of the country to conduct the verification visits. These visits are very important to ensure our donors that we maintain a high level of trust in the ecosystem. A successful verification visit is a strong indicator that this NGO can be trusted with your donations and will utilize the funds raised to provide support to the intended beneficiaries.
