

GIVEINDIA VERIFICATION REPORT

GiveIndia conducts surprise visits to the places where the NGOs are located. These visits are conducted to verify the information shared by the NGO about the benefits provided to the end beneficiaries. Our NGO Relationship Managers and a team of dedicated volunteers find the address of the beneficiary and visit them personally to confirm the validity of the NGO's work. Here is a report created by the NGO Relationship Manager during the verification visit :

Additional remarks by the Relationship Manager on beneficiary[1]	Yes, Heena attend the clinic. She told the name of the clinic as Aanganwadi, which she says that everyone calls the place as aanganwadi only. She go there every Thursday. She is going there since her child was of 3 months of age and now it's been 6-7 months that she is going regularly. She told that she learned how to take care of the baby, what all are the things to be done, what proper diet to be given and when and she got medicines as well

Note to the donor: GiveIndia's Relationship Managers travel to the most remote parts of the country to conduct the verification visits. These visits are very important to ensure our donors that we maintain a high level of trust in the ecosystem. A successful verification visit is a strong indicator that this NGO can be trusted with your donations and will utilize the funds raised to provide support to the intended beneficiaries.
