Additional remarks by the Relationship Manager on beneficiary[7]	The children come daily to the centre. Most of the children are involved in child labour and are helping there parents in their business. So don't attend the centre regularly. Besides learning regular subjects such as Gujarati, English, Maths, etc. Teachers conduct regular exams of the children to prepare them for admissions in regular schools. Children were asked for the desired school they wanted to study in and preparations are made on that basis. Children have formed their groups with various names and study in small groups depending on the grades and class.

Note to the donor: GiveIndia's Relationship Managers travel to the most remote parts of the country to conduct the verification visits. These visits are very important to ensure our donors that we maintain a high level of trust in the ecosystem. A successful verification visit is a strong indicator that this NGO can be trusted with your donations and will utilize the funds raised to provide support to the intended beneficiaries.
