

GIVEINDIA VERIFICATION REPORT

GiveIndia conducts surprise visits to the places where the NGOs are located. These visits are conducted to verify the information shared by the NGO about the benefits provided to the end beneficiaries. Our NGO Relationship Managers and a team of dedicated volunteers find the address of the beneficiary and visit them personally to confirm the validity of the NGO's work. Here is a report created by the NGO Relationship Manager during the verification visit :

Name of NGO	Foundation for Mother and Child Health
Date of verification visit	20/8/2018
Name of Relationship Manager who conducted the visit	Nikhila
Name of Relationship Manager who assessed the visit	Mitish Dewangan
Location of visit	Ghanshyam Nivas, Sai Krupa Chawl, Mahatma Jyotiba Phule Nagar Powai, Mumbai
Details of the beneficiary[1]	Manisha Chandanshive
Verification Visit status of beneficiary[1]	Success
Additional remarks by the Relationship Manager on beneficiary[1]	They have shifted to Kopar, Had spoken to her husband on telephone call arranged by Mr. Sanjay Bhalerao whom I met near the mentioned address. Her mother-in-law lives there in the same address. Her husband told that Manisha went to the Balwadi Clinic nearby and left going there just 2 months back when they shifted. She had gone regularly 6 months prior to delivery and months post delivery. She has learned all the things from the diet of the child to how to take care and handle a baby. She started going there in the month of October. They also have a certificate from FMCH.

Note to the donor: GiveIndia's Relationship Managers travel to the most remote parts of the country to conduct the verification visits. These visits are very important to ensure our donors that we maintain a high level of trust in the ecosystem. A successful verification visit is a strong indicator that this NGO can be trusted with your donations and will utilize the funds raised to provide support to the intended beneficiaries.
