

GIVEINDIA VERIFICATION REPORT

GiveIndia conducts surprise visits to the places where the NGOs are located. These visits are conducted to verify the information shared by the NGO about the benefits provided to the end beneficiaries. Our NGO Relationship Managers and a team of dedicated volunteers find the address of the beneficiary and visit them personally to confirm the validity of the NGO's work. Here is a report created by the NGO Relationship Manager during the verification visit :

Name of NGO	Daudnagar Organisation for Rural Development
Date of verification visit	5/25/2016
Name of Relationship Manager who conducted the visit	Sandhya
Name of Relationship Manager who assessed the visit	Atish
Location of visit	Anchha, Daudnagar

Details of the beneficiary[4]	Sanjhariya Devi
Verification Visit status of beneficiary[4]	Success

Additional remarks by the Relationship Manager on beneficiary[4]	Sanjhariya Devi is 70 yrs of age. She was identified through an eye camp organized by Gram Panchayat in collaboration with DORD hospital. She underwent a cataract surgery (IOL implant surgery) of her right eye. The surgery was done in the month of Sep 2015, free of cost. Post surgery, she was provided with black spectacles, some eye drops and medicines which were also free of cost. A free checkup was done as follow-up 8 days after the surgery. The beneficiary is very thankful to the NGO since her eye sight is improved after the cataract surgery.
Details of the beneficiary[5]	Champa Devi
Verification Visit status of beneficiary[5]	Success
Additional remarks by the Relationship Manager on beneficiary[5]	Champa Devi was not available during the visit so her daughter in law, Geeta Devi confirmed the details. Champa Devi had undergone a cataract surgery (IOL implant surgery) of her right eye. after identification at an eye camp organized by Gram Panchayat in collaboration with DORD hospital. The surgery was done in the month of Sep 2015 and was free of cost. She was provided with black spectacles, some eye drops and medicines post surgery which were also provided free of cost. A free checkup was done as follow-up 8 days after the surgery. The beneficiary is very thankful to the NGO since, her eye sight is improved after the cataract surgery.
Details of the beneficiary[6]	Yuvaraj Kumar
Verification Visit status of beneficiary[6]	Success
Additional remarks by the Relationship Manager on beneficiary[6]	Yuvraj's mother Mrs. Laxmi Devi said that her son was acutely malnourished when he was born in a private hospital. The child was admitted at Sadar Hospital in Sasaram in critical condition and was there for 15 days, in Jan 2016. On discharge the child was provided with 6 pkts of Horlicks & lactogen 500 mg each, 6 kgs of Daliya, 28 pcs of eggs and half litre of milk every day for six months. Nutrition powder was provided for six months in the month of Feb 2016 free of cost. The child is now healthy and normal. Rs. 850.00 cash was also received at the time of discharge.

Note to the donor: GiveIndia's Relationship Managers travel to the most remote parts of the country to conduct the verification visits. These visits are very important to ensure our donors that we maintain a high level of trust in the ecosystem. A successful verification visit is a strong indicator that this NGO can be trusted with your donations and will utilize the funds raised to provide support to the intended beneficiaries.
