Over there I met the teachers and the balsakhi(who assisted the teachers). What was surprising was that the students were very regular in attending classes and were very smart for what its worth. It was great to know that the students trekked over mountains to attend these classes where in I got quite tired while climbing the hills , children ran with enthusiasm to attend the same.

Note to the donor: GiveIndia's Relationship Managers travel to the most remote parts of the country to conduct the verification visits. These visits are very important to ensure our donors that we maintain a high level of trust in the ecosystem. A successful verification visit is a strong indicator that this NGO can be trusted with your donations and will utilize the funds raised to provide support to the intended beneficiaries.
